Human Resources / Employment

As a healthcare leader, APD has a commitment to promote a healthy community. The hospital's campus is smoke-free and tobacco-free. Tobacco use by staff, volunteers, patients and visitors is prohibited at all times both inside and outside of our facilities.

All forms of tobacco\* are prohibited within 200 feet of all hospital's property including in cars, in parking lots, and at all satellite sites.

(\*Tobacco is defined as any tobacco product including cigarettes, cigars, pipe tobacco or chew tobacco, as well as herbs and tobacco-less cigarettes or like products.)
