

# COVID-19 IS WIDESPREAD

## THESE 3 THINGS KEEP EVERYONE SAFE

#1 Everyone must wear a medical mask properly. If you need a mask, please take one.

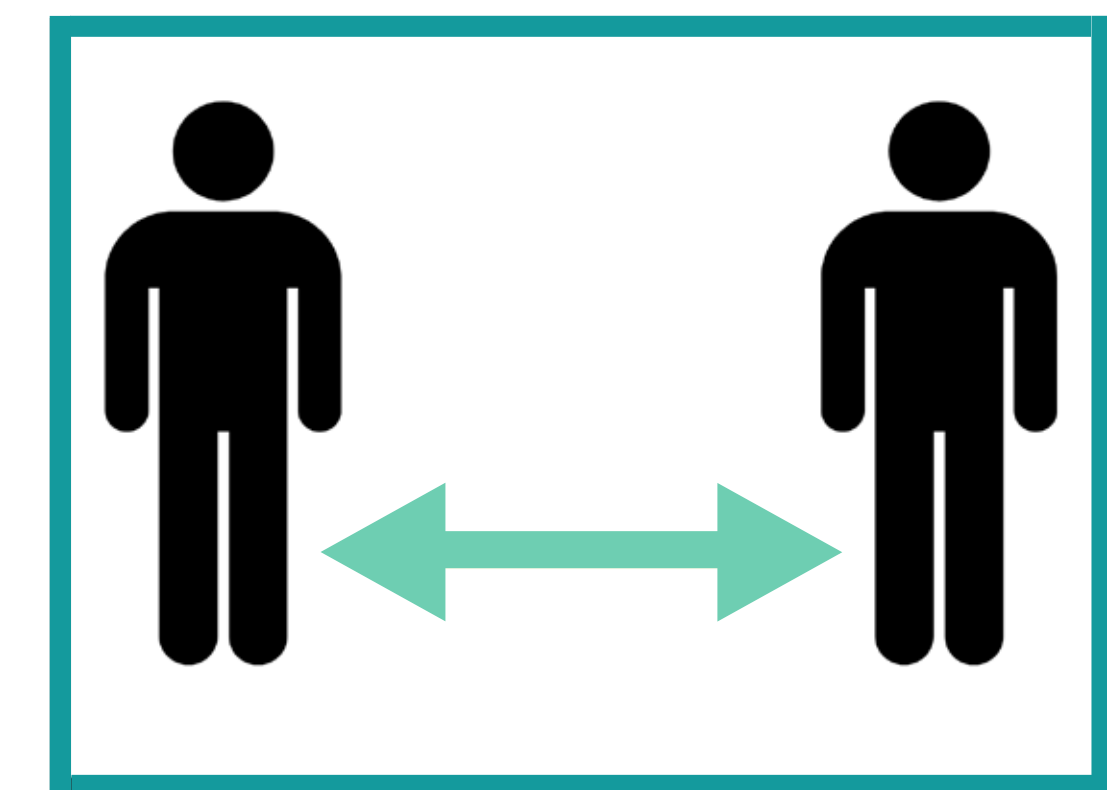

Mask must:

- Cover your **nose** and **mouth**.
- Remain on your face **at all times**.
- Be touched **only twice**: to put on and to remove.
- Be **clean** and **dry**.
- Have **no vents** or **valves**.

#2 Disinfect hands.

#3 Social distance.
